

## Getting a Ford|Lincoln vehicle inspection is easy:

- 1) Print the Used Vehicle Inspection Form below and take it with you to your Ford|Lincoln Dealer.**
- 2) Ask your Ford|Lincoln Dealer what the cost is and if the price is reasonable set up an appointment for the inspection. Tip: Do not call for an appointment as some service departments are not familiar with the form below, however, the dealer will recognize it when they see it.**
- 3) If your vehicle passes (requires no repairs) send the completed inspection form to us via email. If repair work is needed for your vehicle to pass inspection, please send copy of the paid repair order along with the final inspection form.**

Thanks for considering us for your Factory-Backed extended service coverage. We are able to offer Genuine Ford Motor Company's Ford|Lincoln Protect Plans as Zeigler Auto Group is a Ford|Lincoln dealer located in West Michigan. We offer plans in all 50 states.

The vehicle inspection is required if your vehicle is beyond the Basic Factory Warranty. If you have a plan that is about to expire you will not need an inspection unless you are upgrading coverage. So, if you are adding coverage, you do not currently have, your vehicle will need an inspection. Also, a vehicle that has been declared a total loss by an insurance company also will not qualify for any service plans.

The Used Vehicle Inspection Form on the next page must be completed within 30 days prior to the registration of your plan. It is your responsibility to find a dealer and to pay for the inspection of your used vehicle. Your chosen **Ford|Lincoln Protect** dealer must complete all sections -- Initial Inspection, Exterior of Vehicle, Under Hood, Under Vehicle, Vehicle Interior Checks & Road Test Checklists.

The completed fully passed Used Vehicle Inspection Form, and if necessary, a copy of the paid Repair Order should be emailed to bob@zeigler.com or faxed to 269-585-6004. Feel free to contact us at 866.943.7778 during our business hours.

Thank you,
